YORKTOWN – CAMBERLEY

In operation SUNDAY 15th FEBRUARY 1976 until further notice

Starting on Monday 16th February 1976 Service 239, which has hitherto operated from Camberley to Ash, will be revised and extended to operate from CAMBERLEY to GUILDFORD, thus providing a new direct link between Frimley, Frimley Green, Mytchett, Ash Vale and Guildford.

Service 239 will be re-routed between Ash (Bridge House Hotel) and Ash (Dover Arms) to operate via Shawfield Road, Ash Street and Ash Station. Service 239 and reduced Service 220 (Aldershot-Guildford) will together maintain the existing frequency between Ash (Greyhound) and Guildford.

Certain journey times and fares will be considerably reduced by this new facility. For example, the journey from Camberley to Guildford will take only 63 minutes compared with 78 minutes on the existing through service via Woking, and the single fare from Ash Vale to Guildford will be only 35p compared with 43p on the existing services (changing at the Dover Arms).
