### DETAILS OF DRIVING TEST.

The Regulations require an applicant for a driving licence to satisfy the Examiner:—

(a) that he is fully conversant with the contents of the Highway Code;  
 (b) generally, that he is competent to drive without danger to and with due consideration for other users of the road, a vehicle of the same class or description as that on which he is tested. In addition, the candidate must fulfil a selection of the following requirements prescribed in relation to the Group of vehicles which comprises the one on which the test is taken (see Table below):—

- (1) Read at a distance of 25 yards in good daylight (with the aid of glasses if worn) a motor car number plate containing six letters and figures;
- (2) Start the engine of the vehicle;
- (3) Move away straight ahead or at an angle;
- (4) Overtake, meet or cross the path of other vehicles and take an appropriate course;
- (5) Turn right and left-hand corners correctly;
- (6) Stop the vehicle in an emergency and normally and in the latter case bring it to rest at an appropriate part of the road;
- (7) Drive the vehicle backwards and whilst so doing enter a limited opening either to the right or left;
- (8) Cause the vehicle to face in the opposite direction by the use of forward and reverse gears;
- (9) Give, by hand and by mechanical means (if fitted to the vehicle) or, in the case of a disabled driver for whom it is impracticable or undesirable to give signal by hand, by mechanical means, in a clear and unmistakable manner appropriate signals at appropriate times to indicate his intended actions;
- (10) Act correctly and promptly on all signals given by traffic signs and traffic controllers and take appropriate action on signs given by other road users;
- (11) Turn right and left-hand corners without de-wiring (Group II. only);
- (12) Drive the vehicle backwards and cause it to face in the opposite direction by means of its tracks. (Group IV. only).

\* The vehicles comprised in each Group, and the requirements specified in relation to each Group are shown in the following table:—
